Dear Aamir,

I'm glad to see that you're doing well in your studies! Your math score of 99/100 is an impressive achievement, and your science score of 95/100 is also very strong. Keep up the good work!

One area where you might consider improving is your English score of 60/100. While 60 is still a solid score, there is always room for improvement. I suggest focusing on building your vocabulary and practicing your writing skills to help boost your English score.

Overall, you're doing great, and I have no doubt that you'll continue to excel in your studies. Keep up the good work, and don't hesitate to reach out if you need any further assistance.

Best regards,
